pledge to send to France I under for the construction of two schools for French children.

High school and grade school pupils formed a guard of honor around the monument, which was draped with the colors of France. around the monument, which was draped with the colors of France.

Eleven Business High School girls, holding flags, formed the first guard of honor directly back of the marshal. In the center Mary Sherman, holding the American flag, and Ethel Tucker, holding the French flag, were placed. On either side of this center stood the Misses Virginia Staub, Margaret Collins, Evelyn Davis, Regina Schloer, Josephine Clendenning, Anna Kennelly, Marjorle Joesting, Mildred Pierpoint and Doris Myers, each holding an American flag.

The second line of honor was formed by high school cadets from the various high schools. On the George Washington Uniersity rifle team, which won the sam championship in a close const with the National Capital Rifle test with the National Capital Club last week, were two Business High School riflemen, Gerald R. Trimble and Henry Clay Espey. Both of these boys brought honors to the Business High School in rifle matches. Espey won the all-around individual

Business has two crack shots, George Anadale and Stacy Middleton. George Anadale won the Stokes cup in 1921. Stacy Middleton was on the ordnance rifle team, which won in 1921 the championship, which the George Washington University team George Washington University team new project was inaugurated and

won last week.

The Dramatic Society of the Business High School was reorganized this fall under the direction of Mrs. Mae Ashton and Miss Selina Borchard of the faculty. The purpose of the organization as stated in its constitution is "to foster and promote an interest in good spoken English: to aid in interpreting the masterpieces of English literature; to render such productions as may be of value to both those taking part therein and those seeing them." Mrs. Ashton is particularly adapted for this work as she had years of European study in this line.

An organization which necessarily works in close co-operation with the Dramatic Society is the school orchestra under the direction of Mrs. F. M. Butts, and which has rendered ard of the faculty. The purpose of the organization as stated in its constitution is "to foster and promote an interest in good spoken English; to aid in interpreting the masterpieces of English literature; to render such productions as may be of value to both those taking partithered and those seeing them." Mrs. Ashton is particularly adapted for this work as she had years of European study in this line.

An organization which necessarily works in close co-operation with the Dramatic Society is the school organization which has rendered much help to the school in all its definitely known throughout the school that the representatives who have been chosen for the committee intend to act with the purpose of carrying on and extending the beneficial work of last year, as well as planning "big things" for the surpose of the society has year the "better chapels committee intend to act with the practice schools, under the direction of Mrs. Maurer in a first throughout the school that the representatives who have been chosen for the committee intend to act with the purpose of carrying on and extending the beneficial work of last year, as well as planning "big things" for the surpose of a Christmas pageant. The officers of the society are: Harold Zirkin, president; Doris Schulz, vice president; Do Vee Kolar, secretary, and Franc Shriner, trassurer.

EASTERN HIGH SCHOOL.

The Glee Club dance will be given December 2 instead of December 9. A special assembly was held Tuesday morning. Claus J. Schwartz reported the results of the sale of athletic association tickets. Over \$600 was collected. Fred Herzog and Margery Black spoke about the entertainment to be given December 19, 20, 21. Tickets for the show were placed on sale Tuesday.
